Blank Seating Plans

Use the same student numbers across layouts so you can compare behavior, access, sightlines, and movement without rewriting names.

Pairs / rows

Small groups

Discussion horseshoe

Placement Decision Matrix

Do not seat by one label such as behavior. Balance access, instruction, mobility, vision, hearing, peer dynamics, and student dignity.

Board / instruction access		
Teacher check-in		
Peer support		
Reduced distraction		
Mobility / safety		
Discussion access		
Independent focus		

Two-Week Seating Observation Log

Change seats from patterns, not from one difficult moment.
